

## ALUMNI CENTENNIAL BENCH

To commemorate Red Hook High School's Centennial Graduation, the Red Hook Alumni Association recently placed a marble bench at the Linden Avenue Middle School.

We are most grateful to George "Hop" Michael '67 for heading up this effort. Hop was involved in planning and designing the bench as well as making a generous contribution to help finance the project. Also, thanks to Bill Wambach '88 of Kol-Rocklea Memorials for his efforts in lettering and installing the bench.

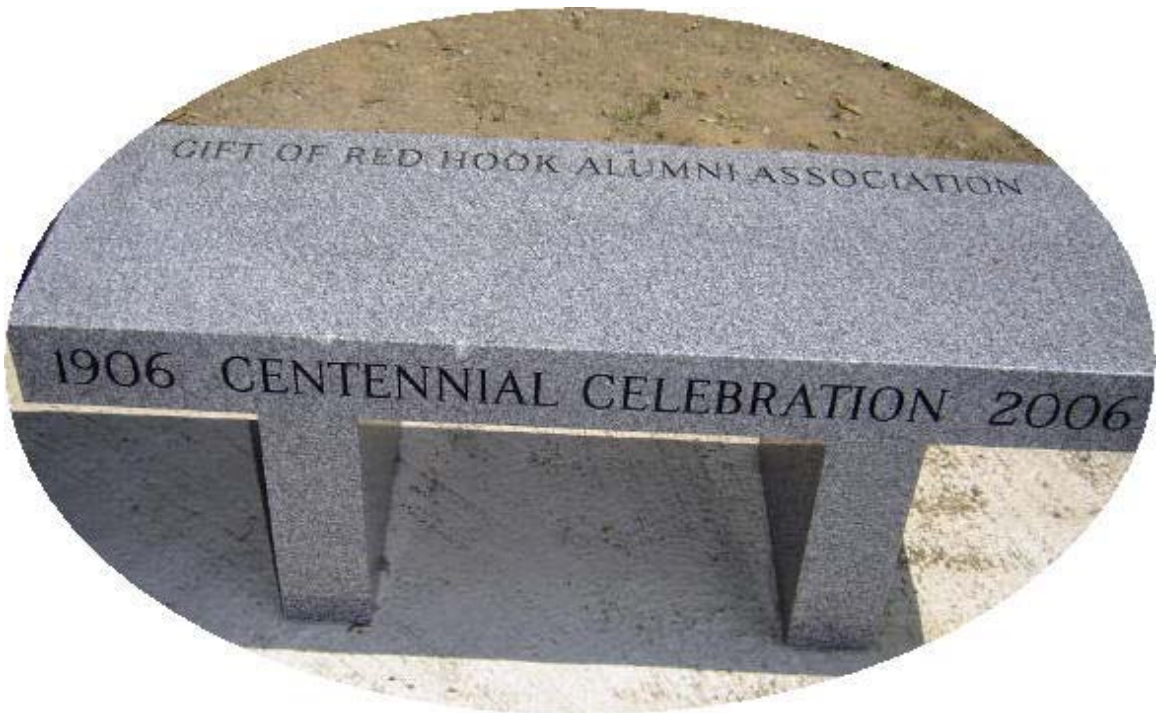

In addition, we thank the Class of 1963 who, on the occasion of their 45<sup>th</sup> Reunion, made a generous contribution to the cost of the bench in memory of their deceased members. We also thank all Red Hook Alumni whose numerous contributions made this project possible. Thank you to all!!!

The "Centennial Bench" is conveniently located near the main entrance to the Linden Avenue Middle School. We know that alumni, students, teachers, staff and visitors will enjoy using it.
